The ACORNS Annual Report on Activities of the National Societies

Every year ESPA collects annual reports on activities of the national societies of paediatric anaesthesia to be informed of the progress, activities and challenges of the national societies. Any problems and issues of the national societies are then discussed during the ACORNS meeting which takes place in the morning prior to the ESPA congress.

A list of all national representatives can be found on our website at www.euroespa.com/about-espa/national-representatives/contact-list/

The ACORNS (Advisory Committee of Representatives of National Societies) Annual Report 2016 is now available on our website. Have a look and get acquainted with the situation in paediatric anaesthesia in Europe.

The 20th PACSA Meeting in Collaboration with ESPA

We are pleased to invite you as a potential participant to the 20th PACSA Meeting, to be held in Bloemfontein, South Africa in November 2016.

The meeting is being held in collaboration with the **European Society of Paediatric Anaesthesiology** and we have an outstanding programme with six international speakers (three from Europe and three from the USA) to complement our outstanding line up of South African speakers.

We expect a large number of delegates to attend and everyone to be treated to the well-known Free State hospitality at the Emoya Estate.

For more information about the meeting, please visit our website at www.pacsa2016.co.za

We look forward to seeing you there.

Prof. Johan Diedericks, Congress Chair
