Object: Motivation letter as board member of the European Society for Anaesthesiology

Dear Colleagues,

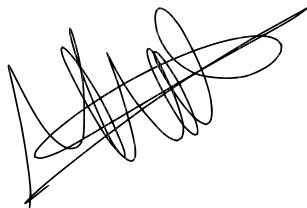

With this letter I would like to submit my candidacy as a board member of the European Society for Anaesthesiology.

I would like to participate in promoting Pediatric Anesthesia as a Speciality among others. There are so many fields which remain unexplored and for which evidence is lacking. My objectives as a member of the board will be to promote research and contribute to the advances of this tremendous Speciality. I have a strong conviction that with Colleagues from different part of Europe and the world who share the same interests, we will develop the Excellence of Pediatric Anesthesia. I would like as a board member, to share knowledge, experience for the progress of Pediatric Anesthesia. Combining experience from Colleagues in Europe and the world will increase our daily quality in children health care. For these reasons I submit my candidacy as board member of the European Society for Anaesthesiology. Networking and Collaborating are essential to promote Pediatric Anesthesia.

Thank your very much for your support

With Best Regards

Claudine Kumba

A handwritten signature in black ink, appearing to be "Claudine Kumba", is located at the bottom left of the page. The signature is stylized and somewhat abstract, with several loops and a long horizontal stroke extending to the right.
