## ESPA E-MEETING 2020

21st – 23rd October

Dear Colleagues and Friends,

it is with great pleasure and enthusiasm that we invite you to participate at the 2020 Annual Meeting of the European Society for Paediatric Anaesthesiology. Unfortunately, the current situation of the coronavirus pandemic does not allow us to meet face-to-face this year in Porto as previously scheduled. However, we have, nevertheless, decided to organize an **annual meeting in a virtual format**.

This e-event will be scheduled in the late afternoon on three consecutive days between the **21st and the 23rd of October** (instead of original 22nd – 24th of October) **from**

**17.00 – 18.30.**(CET). On each day, during a 90-minutes-long session, 6 speakers will provide us insights into a large variety of interesting topics in the field of paediatric anaesthesia.
