

Dear Colleagues,

I would like to present my Candidacy for the ESPA Executive Board Membership 2023.

I am a mother of two wonderful children of 22 and 19 years old.

Beside my interests in Pediatric Anesthesia, my preferred hobby is long distance running (semi-marathon and marathon).

I graduated as a Medical Doctor in 2001, completed my specialization in Anesthesiology in 2006 at the Université Libre de Bruxelles (ULB), Brussels, Belgium.

I have a Pediatric Anesthesia specialization graduation since 2010 from the University of Aix-Marseille, France. I have a specialization graduation in Echocardiography applied to Anesthesia and Critical Care from University of Montpellier 1, since 2012 and a Critical Care Medicine specialization graduation since 2014 from University of Montpellier 1, France.

I am a Medical Doctor in Pediatric Anesthesia and Critical Care at Assistance Publique Hôpitaux de Paris, APHP, France since 2014.

My research interests are Transfusion, Goal directed Fluid and Hemodynamic Therapy, Enhanced Recovery After Surgery and Echocardiography Applied to Hemodynamics in Pediatric Anesthesia and Critical Care and Postoperative Outcomes. I share a lot of interests in Pediatric Research through various publications in these fields and for more information concerning my scientific work contribution please see at these links:
