

Executive Board of the European Society for Paediatric Anaesthesiology

Motivation for general position

Jacob Karlsson

I hereby submit my nomination for a general position at the Executive Board of the European Society for Paediatric Anaesthesiology. As a dedicated pediatric anesthesiologist, my research focus and clinical interest lie in improving care for children under anesthesia. With a strong commitment to advancing the field and a deep understanding of the unique challenges faced in pediatric anesthesia, I aim to contribute my expertise and drive to the Executive Board and to the European Society for Paediatric Anaesthesiology.

I also aim to actively promote collaboration and knowledge exchange among our members and to facilitate scientific and educational initiatives that empower pediatric anesthesiologists with the latest advancements and evidence-based practices.

Thank you for considering my nomination,
