

CURRICULUM VITAE

Personal data

Surname, first name	Voet, Marieke
Adress	Waaldijk 31 6677 MB Slijk-Ewijk The Netherlands
Contact adress	Radboud University Medical Center & Amalia Children's Hospital Department Anesthesiology, Pain Medicine and Palliative Care P.O. box 9101 6500 HB Nijmegen The Netherlands
Telephone (work)	+31 243614406
Mobile (private)	+31 627075573
E-mail	Marieke.Voet@radboudumc.nl ; marieke@lindnermail.com
Date of birth	09-01-1973
Place of birth	Oss, the Netherlands
Nationality	Dutch
BIG registration number	89048996801

Education

Sept 2006-Sept 2007	Fellowship Pediatric Anesthesia, Radboud University Medical Center, Nijmegen
Jan 2001-June 2006	Resident Anesthesiology, University Medical Center, Leiden (LUMC)
Sept 1991-Sept 1998	Medical degree, University of Utrecht, the Netherlands
Sept 1985-June 1991	Atheneum, Pax Christi College, Druten, the Netherlands

Professional experience

Sept 2006-present	Anesthesiologist/pediatric anesthesiologist, Radboud University Medical Center, Nijmegen
Jan 2001-June 2006	Resident in training Anesthesiology, University Medical Center, Leiden (LUMC)
March 2000-December 2000	Resident Intensive Care, Meander Medical Center, Amersfoort
Oct 1998-March 2000	Resident General Surgery, Meander Medical Center, Amersfoort

Educational experience

Sept 2006-present	Member of teaching staff, dep Anesthesiology, Radboud university medical center, Nijmegen: daily supervision of residents and various lectures on pediatric anesthesia
2017-present	Various lectures and bedside teaching on (pediatric) anesthesia for residents Anesthesia at KCMC, Tanzania
2022	Lecture in scientific meeting Dutch pediatric ICU association "Hemodynamic monitoring in children"
2021	SKA/BAPA refresher course "Hemodynamic monitoring in children"
February 2021	Teacher Pediatric Anesthesia Course for Fellows of national society (SKA)
Sept 2019	Organizer and speaker of one-day course Hemodynamic Monitoring in Children as part of annual congress European Society of Pediatric Anesthesia (ESPA)
June 2011-July 2019	Educational Commission (PGO), Dutch Society of Anesthesiology (NVA)

Additional education/courses

2016, 2020	Basic course on Regulations and Organization for Clinical Investigators (BROK)
2019	Basic course Statistics for PhD students
2019	Course Academic Writing
2007-present	Several courses on various subjects (FAST, PGO tutor, Train-the-trainer)

Other activities

2019-present	Member of Educational Committee, national Section Pediatric Anesthesia (SKA)
2019-2022	Member of taskforce Emergency Care for Critical-ill Child Presenting in Non-academic hospital
2017-present	Member of teaching and support staff Radboud KCMC-Foundation for Kilimanjaro Christian Medical Center, Moshi, Tanzania
2016-2018	Member of taskforce Prevention neurological damage in neonates
2015, 2016, 2017	Organizer of annual congress Dutch Society of Pediatric Anesthesia (SKA)

Research Projects

2025	<i>Double Surprise Question at pre-anesthesia consultation</i> ; validation study to predict perioperative mortality
2017-present	Research trial (NTR6900) <i>Circulation and Hemodynamics in Living Donation Kidney Transplantation in Children (CHILD-KiTC)</i> , Radboudumc, Nijmegen
November 2024	PhD thesis <i>Anesthesia Care and Circulatory Support in Pediatric Kidney Transplantation</i>
2020-2024	Interview studie <i>Research procedures in children; the child's perspective</i> , Radboudumc, Nijmegen
2016-2024	Validation study of esophageal doppler cardiac output monitor versus thermodilution cardiac output monitor (CardioQ vs PiCCO), Radboudumc, Nijmegen
2021	Site local collaborator monitor Sugammadex Trial; pharmacokinetics in pediatric patients < 2 yrs
2012-2019	Research project Kleine KiNT: <i>Hemodynamic monitoring in adult kidney transplantation in young children</i> , Radboudumc, Nijmegen
2016-2018	Site Local Collaborator patient recruitment NECTARINE Study

Scientific presentations

2025	ESPA congress <i>Pediatric kidney transplantation: Hemodynamics Explained</i>
2017-2024	Abstract presentations of published studies during national and international scientific meetings (IPTA, ESPN, ESPA, SKA, CERTAIN, NTV, RadboudUMC)

Memberships

2014-present	European Society of Pediatric Anesthesia
2007-present	Section of Pediatric Anesthesia of NVA (SKA-NVA)
2006-present	Dutch Society of Anesthesiology (NVA)

Publications

A Mixed Method Study in Young Children Participating in Clinical Research During A Kidney Transplantation Trajectory

Voet M, Lucker G, Malagon I, Maas-van Schaaijk N, Cornelissen EAM, Engels Y
Prog Transplantation. 2024 Sep;34(3):89-95

Anesthesia and intensive care unit care in pediatric kidney transplantation: An international study

Voet M, Lemson J, Cornelissen EAM, Malagon I
Pediatric Anesthesia, 2024;34(3):235-242

Hemodynamics and urinary excretion of kidney-injury biomarkers in pediatric kidney transplantation

Voet M, van Lier D, Lemson J, Zarbock A, Malagon I, Cornelissen EAM, Picckers P
Pediatric Transplantation, 2024;28(1):e14637

Safety aspects of the PiCCO thermodilution-cardiac output catheter during magnetic resonance imaging at 3 Tesla

Voet M, Overduin CG, Stille EL, Fütterer JJ, Lemson J
J Clin Monit Comput. 2022;36(1):141-145

Perioperative anesthesia care for the pediatric patient undergoing a kidney transplantation: An educational review

Voet M, Cornelissen EAM, van der Jagt MFP, Lemson J, Malagon I
Paediatric Anaesthesia. 2021;31(11):1150-60

Cardiac output-guided hemodynamic therapy for adult living donor kidney transplantation in children under 20 kg: A pilot study

Voet M, Nusmeier A, Lerou J, Luijten J, Cornelissen E, Lemson J
Paediatric Anaesthesia. 2019 Sep;29(9):950-958

Transplantation of adult living donor kidneys in small children, a single-centre initial experience

Luijten J, Voet M, de Gier R, Nusmeier A, Scharbatke H, van der Vliet J, Cornelissen EAM
Transplant International 2017;30(6):640-642

Procedurele sedatie en analgesie buiten de OK: kinderen

M.M.W. Leeuwerik en M. Voet

Probleem georiënteerd denken in de Anesthesiologie, Hoofdstuk 29, 3^e herziene druk, Boom de Tijdstroom 2023

Een eenjarig kind voor een pyelumplastiek bij hydronefrose: Implicaties van congenitale nierafwijkingen voor anesthesie en analgesie

Fabienne van Aalst, Luc Tielens, Marieke Voet

Kinderanesthesiologie in de praktijk, Hoofdstuk 10, 1^e druk, Prelum 2022
