

Workshop: US in regional anaesthesia

(Giorgio Ivani, Per-Arne Lönnqvist, Valeria Mossetti)

Hands-on demonstrations at three stations (three slim live models, three US equipment).

Topics:

- Central and paravertebral blocks (P-A. Lönnqvist)
- Upper limbs blocks (V. Mossetti)
- Lower limbs blocks (G. Ivani)

Each group will be at each station for 30 min and then move to another one.
